

All kids should feel part of something big, something fun and something that inspires them. SportAKid was founded by a Valor student who knows how great it feels to be part of a team.

*We collect new and “like-new” sports jerseys and deliver them to underprivileged students worldwide.*

We are asking for your help **THIS SATURDAY, March 3rd** as we host a **JERSEY DRIVE** at the Valor Girls Lacrosse Play Day. All you need to do is bring a sports jersey with you Saturday. Professional team jerseys and t-shirts can be found at most stores (Target, Marshalls, TJ Maxx, WalMart). All

sizes are needed and all sports are appreciated. ***Look for the JERSEY DRIVE drop off baskets at the concession stand at the Valor Stadium from 9am-3pm.***

We already have plans to deliver jerseys to hundreds of kids this year and we have requests for hundreds more. Your help will go a long way! Together we can make kids smile and help them feel part of a team!
